

**On July 11<sup>th</sup>, 2023, The Rotary Club of Brampton Flower City Centennial celebrated our 16<sup>th</sup> annual Change Over Gala. This event was held at the Mississauga Grand Banquet & Event Centre. It was a fun-filled evening with friends, family members, dignitaries, and not to mention great food and music. It was a wonderful time showcasing our many achievements and recognizing the hard work and dedication of our amazing members. Several awards were presented throughout the evening including two recipients of the Paul Harris Fellow. Thank you to our previous executives and welcome to the new ones. The gavel has been passed unto a great Rotarian and Community Leader, Mr. Dhaman Kissoon. In his speech, Mr. Kissoon, laid out some audacious goals, which will no doubt, take this club to greater heights and will continue to make a positive impact on the lives of others.**
